

# Thorpe Farm, Thorpe Lane, Tealby, LN8 3XJ

A truly one-of-a-kind country home. Thorpe Farm is a beautifully restored Grade II Listed farmhouse with a stunning converted crew yard, set within approx. 7.88 acres of grounds (sts) on the edge of Tealby, one of Lincolnshire's most sought-after villages. Carefully renovated by the current owners, the property blends original period features with thoughtful modern upgrades, creating a spacious and character-filled home in a breathtaking countryside setting.

The accommodation wraps around a spectacular central courtyard, offering a superb outdoor entertaining space with a fitted courtyard kitchen, accessible from the main living areas through multiple sets of French doors. Inside, the standout open-plan kitchen / dining / family room boasts vaulted ceilings, a high-spec kitchen and seamless flow into the courtyard and gardens, while elsewhere, there are multiple reception spaces including a snug, formal lounge, library and a hidden study.

The house sits in a peaceful, private position within its own land, which includes formal gardens, paddocks ideal for equestrian use, woodland and a double garden with garden store. An attached barn offers excellent potential for further conversion, whether as an extension of the main home, an annexe or a holiday cottage (STPP). Planning permission was previously granted for a 'Grand Designs'-style home within the woodland (now lapsed), showing exciting potential for further development within the grounds.

Externally, an external staircase leads up to a separate office/store, providing a perfect spot for home working with views across the garden. There is also ample off-road parking within the grounds.

The location is just as impressive, quietly tucked away yet walkable into the village centre and its highly regarded pub, with excellent access to Lincoln, Louth, Grimsby and Newark. Commuters will appreciate the convenient road connections and fast train services into London via Lincoln and Newark North Gate.

## Asking price £1,500,000
